

INVESTING IN ROSENBERG'S FUTURE

By adding more than \$1,500,000* to the City's revenues, Brazos Town Center has brought the citizens of Rosenberg a variety of benefits, both quantitative and qualitative. Even in these challenging economic times:

- Sales tax revenues have remained strong.
- Approximately 3,500 new jobs have been created.
- All City infrastructure projects are funded and on-track.
- Property taxes have been reduced.
- A new Police Substation has been added.

Plus, the Center's stores mean more employment and more convenience for all Rosenberg citizens. Brazos Town Center...another great reason to live in the Rosenberg area!

*Net, through March 2009.
