

INVESTING IN ROSENBERG'S FUTURE

Since 1995, the Rosenberg Development Corporation has invested more than \$11,000,000 in infrastructure to support new and expanded business development. This investment has resulted in new jobs and a diversified tax base for the City of Rosenberg.

- More than 7,500 acres of commercial/industrial land available.
- Unique location with efficient access to interstate, rail, air and port transportation.
- Infrastructure assistance is available for qualifying projects.
- Skilled workforce and access to diverse training opportunities in immediate areas.

Dozens of major industrial and commercial companies already have operations in Rosenberg, thanks to the City's business-friendly reputation and competitive incentive programs. If you're considering an expansion, move or startup, find out why Rosenberg is the ideal place for growing companies.
